

Since 1988

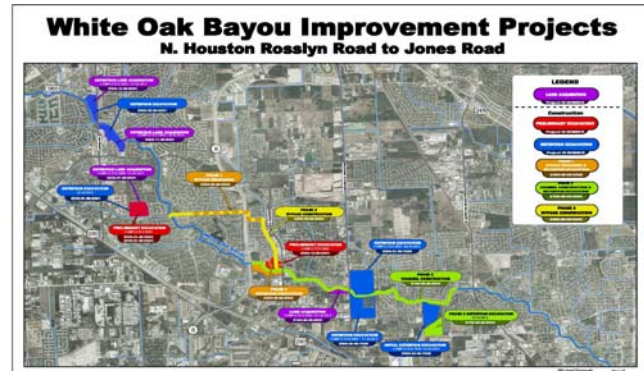

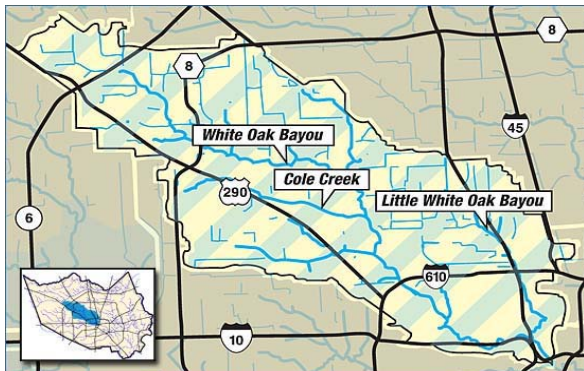

White Oak Bayou Association
P.O. Box 920510
Houston, Texas 77292-05010

The White Oak Bayou Association was founded by Lynda C. Smith and incorporated in the State of Texas on May 20, 1988. The organization's primary purpose is:

To promote greater public awareness, appreciation, and enjoyment of White Oak Bayou, its tributaries and environs by advocating the preservation, restoration, and maintenance of the natural wildlife habitats thereof, while promoting compatible educational and recreational opportunities within the area.

Since the early days White Oak Bayou Association has been involved in many activities in our watershed, some of which are:

- Clean-ups along WOB and its tributaries
- Field trips
- Tree plantings
- Park Advocacy
- Bikeway Design and Advocacy
- Environmental Advocacy together with our member communities
- Participation in Stakeholder Committees with Harris County Flood Control District
 - White Oak Bayou F211 Federal Project
 - Lower White Oak Bayou Federal Study
 - Vegetation Committee, etc.
- Floodplain Development Advocacy with the City of Houston
- Stormwater Quality Advocacy & Education
- WOBA Fish-Off
